PRODUCT

SCRUBS® NO RINSE
Food Surface Disinfectant Wipes

BOTTOM LINE

Spot cleaning and disinfecting
Food processing plant: canned goods

APPLICATION

- General spot cleaning and disinfecting of surfaces that may come in contact with food during production at a baked bean processing plant.

ISSUE

- Competitive wipe lacked sufficient foodborne pathogen kill claims and required nearly 2 minutes of dry-time, slowing repetitive cleaning tasks.

SOLUTION

- SCRUBS® NO RINSE Food Surface Disinfectant Wipes

RESULT

- SCRUBS® NO RINSE Food Surface Disinfectant Wipes effectively cleaned and disinfected production surfaces and required a much shorter dry time. This reduced the required time to complete cleaning tasks and saved the company an estimated \$6000 annually, compared to the competitive product.
